## PREVENTION SPECIFIC EDUCATION/TRAINING GRID for OCPS certification

### OCPS Grid Instructions:

In each Educational Content Area, list in chronological order the 120 hours of university/college coursework or Continuing Education/Training you have obtained. Each Educational Content Area has a minimum number of hours required.

Once the minimum number of required hours have been met in each Educational Content Area the remaining hours can cover any area. Twenty-Four (24) hours must be AOD Prevention specific content. The **Prevention Content Area Definitions** can be found on our website under Licensure Requirements or Applications and Forms.

**Fifty percent (50%) of the 120 hours must have been completed within the five (5) year period immediately prior to filing the formal application.**

All education hours must be verified and included with the application. Acceptable forms of verification include: college or university official transcripts, copies of a continuing education certificate that verifies the course has approved CEU's.

If you have taken more classes than the number of rows provided, please fill out a second education grid. The hours listed on the grid represent the minimum number of hours required in each Educational Content Area.

**NOTE:** If applying for the OCPC, you must already hold the OCPS so you do NOT need to complete this GRID again but must complete the OCPC Administrative/Supervisor Education Grid.

## OCPS Education Grid

**NAME:**

<b>Educational Content Area &amp; minimum number of education hours required</b>	<b>Date of the Course</b>	<b>Course Name</b>	<b># of Hours Covered</b>
